#### Dear Affiliate:

In response to your recent request, this is to certify that QVC, Inc. ("QVC"), during the calendar quarter ending March 31, 2017:

- 1) provided closed captioning services on its QVC Service, QVC Plus and Beauty iQ delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission ("FCC"); and
- 2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of QVC's programming during such quarter constituted "children's programming" as defined by Section 76.225 or 73.670, as applicable, of the FCC's rules, and, therefore, none was subject to the commercialization limits imposed on children's programming (see 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children's programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

Please be advised that because the CALM Act certification and the certification for adherence to the closed captioning quality "Best Practices" for Video Programmers (47 C.F.R. § 79.1(k)(1)) are required to be "widely available" in accordance with FCC rules, we have posted those certifications on the website of our subsidiary, Affiliate Distribution & Mktg., Inc. Accordingly, you may find our CALM Act and closed captioning quality certifications at http://www.adm.qvc.com/forms.html.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

David R. Caputo

RE:

Compliance for the Children's Television Act of 1990 for Turner's entertainment networks, 1st Quarter (January 1 – March 31, 2017)

Dear Ms. Browne:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 (the "Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Per your request of June 14, 2016, on behalf of Time Warner Cable, I am submitting these certifications from Turner Broadcasting for its Cartoon Network and Boomerang networks for this quarter.

Please note that the Act's advertising limits are inapplicable to hTV, Infinito, TBS, TNT, truTV and Turner Classic Movies as these networks do not carry "children's programming" as defined under the Act. If there are any changes in the programming policies of these networks, we will provide you with the updated certifications reflecting such changes.

If any questions, please feel free to contact me.

Sincerely,

Toni Millner

# CARTOON NETWORK CERTIFICATE OF COMPLIANCE WITH COMMERCIAL LIMITS FOR CHILDREN'S PROGRAMMING

I, Toni Millner, in my capacity as Assistant General Counsel and Vice President – Kid Vid Compliance for Turner Broadcasting System, Inc. ("Turner"), hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from January 1, 2017, to March 31, 2017:

- 1) I am familiar with the statutory limits of the Children's Television Act of 1990 (the "Act") and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be telecast during children's programming\* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) Turner treated all of the programs telecast on Cartoon Network, a leading ad-supported cable television network, as "children's programming" for the purposes of the commercial limits set forth in the Act except for its telecast in the "Adult Swim" block of programming created for an adult audience that airs late night seven days a week.\*\* On a weekly basis, therefore, approximately 98 hours of television programming were treated as "children's programming" for the purposes of the commercial limits set forth in the Act.
- 3) Turner has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.
- 4) To the best of my information, knowledge and belief, there were no instances in which the commercial limits were exceeded during the period noted above.

<sup>&</sup>quot;"Children's programming" for the purposes of the commercial limit means "programs originally produced and broadcast primarily for an audience of children 12 years and under."

<sup>\*\*</sup>During this period, the "Adult Swim" block of programming aired from 8 p.m. to 6 a.m., 7 nights a week. The Adult Swim block contains regular warnings to notify and remind viewers that the content is intended for an adult audience, and is not considered "children's programming" subject to the commercial limits set forth in the Act
